Message from Father Tom:

After this I had a vision of a great multitude, which no one could count, from every nation, race, people, and tongue. They cried out in a loud voice: "Salvation comes from our God, who is seated on the throne, and from the Lamb."
-Revelations 7

Around this time of year I try to show one of the exorcism movies that comes out. I'm not much of a fan of scary movies, to be honest. But I like that it shows in a very visible way all the things that are normally left to our imagination. Demons are real; so are angels; so are saints; so are our dead relatives being purified in Purgatory. And as it turns out, they are separated from us only by a thin veil.

On the campus of St. Thomas University up in the twin cities, the seminarians had a custom that on All-Saints day, November 1st, they would go around and write on the sidewalk all over campus the names of different saints: St. Charles, pray for us...St. Lawrence, pray for us...St. Catherine, pray for us...so on and so on. Everywhere people went that day, they were reminded that the saints are around them and we can ask them to pray for us. The invisible could almost be grasped, for just a moment.

November is a month dedicated to Last Things: Heaven, Hell, Death, and Judgement (I might add Purgatory for our purposes). Let us take the opportunity to reflect on the invisible world around us.

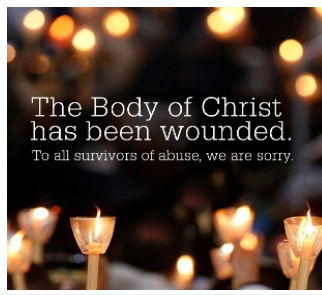

Technology Talk: Do you know what your children are viewing on the computer, social media, their phones? Dawn Wolf, Technology Director from the Diocese will be here on Sunday, October 28th from 6:30-8pm to present information on virtue in the media and kids internet safety. Babysitting available. The main talk will focus on parents protecting their children, but there will be information on recognizing scams, what computer programs are better and any other questions you may have on technology! Come and share the evening!

White Ribbons against Pornography: The National White Ribbon against Pornography (WRAP) Week brings together hundreds of national, state and local groups, along with driven concerned citizens in a massive effort to educate the public on the harms from pornography and the many resources available to aid those affected. National WRAP Week always starts the last Sunday of October.

The Thirtieth Sunday In Ordinary Time October 28, 2018

In a 2012 homily, Pope Benedict XVI reflected: *"Bartimaeus represents one who has lost the light and knows it, but has not lost hope: he knows how to seize the opportunity to encounter Jesus and he entrusts himself to him for healing. Indeed, when he hears that the Master is passing along the road, he cries out: "Jesus, Son of David, have mercy on me!", and he repeats it even louder. And when Jesus calls him and asks what he wants from him, he replies: "Master, let me receive my sight!" Bartimaeus represents one aware of his pain and crying out to the Lord, confident of being healed. In the encounter with Christ, lived with faith, Bartimaeus regains the light he had lost, and with it the fullness of his dignity: he gets back onto his feet and resumes the journey, which from that moment has a guide, Jesus, and a path, the same that Jesus is traveling. The evangelist tells us nothing more about Bartimaeus, but in him he shows us what discipleship is: following Jesus 'along the way,' in the light of faith."*

World Mission Sunday: Today, with Catholics of the world, we are called to offer, at this Eucharistic celebration, our prayers and our generous financial support, through The Society for the Propagation of the Faith, to continue the mission of Jesus. Today we “speak up” through our prayers and personal sacrifices for our brothers and sisters in the Missions. As little as \$25 helps support a catechist for a month in Latin America and \$75 provides for the work of religious Sisters in Africa. As always, your prayers are your most treasured gift to the Missions. With them and your financial help we support mission priests, religious, and lay catechists who are Christ’s witnesses to the world so in need of His healing love and peace.

Technology Talk: THIS Sunday, October 28th from 6:30-8pm. See the back of the bulletin for more info.
