**Message from Father Tom:**

Some time ago, I had the privilege of accompanying some of the young men from our diocese who are discerning their vocation—specifically who are considering priesthood. The college seminary--where they are trained for this--is a lot like being in the army: it is very intense for the young men. These men share a radical determination that nothing is more important than serving Christ in everything. To them, Christ is King; and they are the soldiers of Christ. Also, like the army, there is a great emphasis on fraternity and brotherhood among the guys there. They genuinely care about one another, and lift each other up when life starts to drag them down.

This weekend is the great Feast of the Kingship of Christ. Truly, what separates us from the secular world, is that we have a King who is Lord over every aspect of our lives. Sometimes the Lord our king may even order us to do things we would rather not do. We are soldiers for our King, fighting in a world that would rather rebel against its king.

And like good soldiers, we must make it our effort to not leave any man (or woman) behind in the battle. Encourage each other; and strive always to inspire each other to greatness. We have the same King who reigns over us; and he has for us an incredible mission.

# Our Lord Jesus Christ, King of the Universe November 25, 2018

Christ Jesus, I acknowledge You as King of the universe. All that has been created has been made for You. Make full use of Your rights over me. I renew the promises I made in Baptism, when I renounced Satan and all his pomp and works, and I promise to live a good Christian life and to do all in my power to procure the triumph of the rights of God and Your Church. Divine Heart of Jesus, I offer you my efforts in order to obtain that all hearts may acknowledge your sacred royalty, and that thus the Kingdom of Your peace may be established throughout the universe. Amen.

“The kingdoms of this world at times are sustained by arrogance, rivalries and oppression; the reign of Christ is a 'kingdom of justice, love and peace.' For a Christian, speaking of power and strength means referring to the power of the Cross, and the strength of Jesus' love: a love which remains steadfast and complete, even when faced with rejection, and it is shown as the fulfillment of a life expended in the total surrender of oneself for the benefit of humanity.” – Angelus Address of Pope Francis, Solemnity of Christ the King, November 22, 2015
